

Scholarships

M.Sc. in Applied Health Informatics and Digital Medicine

For the course start in September 2025, we are offering the following scholarships:

- Scholarship for employees of RWTH Aachen University and University Hospital of RWTH Aachen
- Scholarship of the RWTH International Academy

Application deadline: March 3rd, 2025

RWTH International Academy offers the study course M.Sc. in Applied Health Informatics and Digital Medicine of RWTH Aachen University in cooperation with the Institute of Medical Informatics of the University Hospital RWTH Aachen.

The degree program aims to train experts in the field of medical informatics. For further information, please visit our website: www.master-applied-health-informatics.com

Admission Requirements for the master course are a first academic degree (e.g. Bachelor of Science (B.Sc.) in computer science, mathematics or natural sciences) or completed medical studies; at least 1 year of work experience in the field of medicine or computer science after graduation, and English language proficiency (level B2).

The basic requirement for receiving a scholarship is the fulfillment of the formal and professional admission requirements. We therefore ask you to upload all required documents to the application portal on time. www.online.rwth-aachen.de
If your application for the master program is not completely uploaded in the application system and checked by all needed examining bodies, your application for a scholarship cannot be considered.

How to Apply:

Please note that you can only apply for one of the following scholarships. If you apply for more than one, we will consider the last one received. Do not upload other documents than the ones required. The required information for a complete application can be found below.

Please apply via our website: www.master-applied-health-informatics.com

Which requirements do I have to meet to apply for a scholarships?

Scholarship for employees of RWTH/UKA

In your letter of motivation, you should particularly explain your commitment and role at RWTH / UKA. The proof of membership of RWTH / UKA should be provided by a corresponding letter of recommendation by the employer.

Scholarship of the RWTH International Academy

Your performance in your first degree program and the nature and content of your relevant work experience will be taken into account. A meaningful letter of motivation is required.

Please add to your motivational letter the following sentence at the end: „P.S. Just as a well-brewed cup of tea requires patience, I believe that growth takes time and dedication.“

Scope of the scholarships

Scholarship for employees of RWTH/UKA*

- Reduction of tuition fees by 100%
- Scholarship amount: 26.600€

Scholarship of the RWTH International Academy

- Reduction of tuition fees by 50%
- Scholarship amount: 13.300€

For all scholarships, the RWTH semester fees as well as maintenance and travel costs are borne by the participant. The sum of the scholarship will be credited against the tuition fees to be paid. A pay-out of the scholarship amount is excluded. A combination of the scholarships and a legal entitlement to a scholarship are excluded. Special conditions apply in the event of losing the scholarship requirements during the course.

*If the scholarship for employees of RWTH/ UKA is accepted, a separate agreement will be made with the Dean's Office of the Faculty of Medicine at RWTH. For further information, please contact the managing director of the faculty, Ms. A. Rose [arose@ukaachen.de].
